

# Double your impact with Art in Action!

Did you know that your generosity has the potential to be doubled? Matching gifts from your employer, like the ones listed below, is an incredible way for you to increase your donation to Art In Action. It takes just a few minutes to submit a corporate employee matching gift form and maximize your donation.

If you aren't familiar with your employer's matching gift policy, contact your company's Human Resource Department and request a paper or online form.
